FOR A CONNECTED TOMORROW

Decora Outlets

VT-002-DW

Wall Mount Decora (White)
60 Watts Available Power
USB-PD | QC 2.0 Enabled

1 x USB A  1 x USB C 

VT-002-DB

Wall Mount Decora (Black)
60 Watts Available Power
USB-PD | QC 2.0 Enabled

1 x USB A  1 x USB C 

Why Voltek?

Convenient

Voltek outlets meet rapid charging standards for most modern USB Devices, allowing devices to charge up to 50-70% faster than those using a standard 5 Volt charger.

Dependable

Voltek enables battery backup, providing several hours of charge time in the event of a power outage

Responsible

Using Voltek in place of a standard 120 Volt Electrical outlet reduces copper and plastic waste by 75% on average.

Cost Effective

The low voltage cabling used to power Voltek USB outlets is 80% less expensive than traditional high voltage outlet cabling, and doesn't require a licensed professional for installation!

Perfect for Anywhere

Commercial, Medical, Residential, Hospitality, Education and More!

Voltek Systems Inc

DECORA CHARGING SOLUTION SPECIFICATIONS

Features

- Supports USB Power Delivery 3.0 over USB-C providing 60W
- USB-A QC 2.0 providing 18W
- Wide input voltage range
- Optimized for fast charging cellphones and laptops
- Small form factor

General Specifications

Product No.		VT-002-DW	VT-002-DB
Type		Decora	
Color		White	Black
PD Profiles		5V 3A 12V 3A 15V 3A 20V 3A	
QC Profiles		5V 3A 9V 2A 12V 1A	
Total Power Output	W	60W	
Voltage Input	V	21V-36V	
Max Current Draw	A	3A	
Standby Current	A	.002A	
Dimensions (LxWxH)	in	4.2 x 1.76 x .84	

Dimensions [Inch]
